Intellectual Property Rights. The Licensor reserves for itself and its affiliates and licensees the irrevocable, worldwide, and royalty-free right to use the whole or any part of the licensed Intellectual Property Rights for any and all purposes, whether commercial or non-commercial. The Licensee shall not make any admissions in relation to such allegations, except with the prior written agreement of the Licensor. [Unless otherwise agreed in writing by the Parties, the] OR [The] Licensor shall have the exclusive right to conduct any proceedings relating to the Intellectual Property Rights, including any proceedings relating to the alleged infringement of third-party rights in the use of the Intellectual Property Rights.
